

# Moderation

**FALLACIES OF PRESUMPTION** | Arguments that make unwise assumptions about either the data or the nature of reasonable argument.

**Fallacies of Presupposition** | Arguments that contain “hidden assumptions” that make them unreasonable.

**Moderation** | An argument that assumes that the correct answer is always a “middle ground” between “extremes.”

**Reach  
Out**

**The people with  
power are either  
Republican or  
Democrats. We  
need independant  
thinking that  
can bring them  
together.**
