Q & A

Some questions that were answered in the webinar

- What does test prep for the CLT look like?
- If a student is not classically educated, how do they fall in line with the CLT?
- Will colleges superscore the exams?
- What subjects are assessed on the exams?
- What age do you recommend take each set of exams?
- How does CLT partner with secondary schools?
- How can schools present CLT to uninformed parents and board members?
