

## Essentials of Formal Logic with Joelle Hodge

### Lesson 34: Chapter 9 Preamble

#### Outline:

##### Chapter 9, Preamble

- An end of year project is a chance to pull everything together.
- Chapter 9: Definitions and Disagreements.
  - This goes back into narrative.
  - Come back out into reality, paradigm shift.
  - It is necessary to define terms well.
  - A poorly defined argument loses.
  - The work that we have been doing is trying to pull arguments out of context. When we get back into definitions we put everything back into factual context, definitional context, and narrative arguments where they live.
