

Latin for Children Teacher Training with Dr. Christopher Perrin

Chapter 2: Verbs: Principal Parts

Outline:

Chapter 2: Verbs: Principal Parts

- Give a brief overview of how the lesson will flow.
- Introduce new vocabulary for the chapter.
- Study the derivatives that come from the vocabulary in the chapter.
- Introduce the review vocabulary for the chapter, and study the derivatives too.
- Review verb conjugations from the first and second conjugations.
- Review the principal parts of the verb for first conjugation and second conjugation verbs.
- Review person, number, and tense.
- Review present, imperfect, and future tense endings and meaning.
- Review the four principal parts with a verb (orno).
 - We learn the four principal parts is because they help us to learn other forms.
- Create a Latin sentence together.
- Showing person, number, and tense is called parsing.
